

PEBBLE-HOGS

This is such a fun and adorable craft which you can probably do right now! All you need is:

- A pebble—see if you can find one in your garden or when you go for a walk! The easiest pebbles to use will be smooth and rounded
- Some acrylic paint or marker pens
- Small paintbrushes

STEP 1

Give your pebble a wash and let it dry. Also make sure to let the paint dry between the following steps!

STEP 2

Paint either the entire pebble, or just the face area, with a light colour.

STEP 3

Paint your darker body colour, and add some facial colouring.

STEP 4

Add some thin strokes for spines, can use a few different colours!

STEP 5

Add your eyes, nose, and finishing touches to bring your little friend to life. You can be more or less detailed with your pebble-hog! They will still look great

NO PAINT? NO PROBLEM!

You can make adorable pebble-hogs using marker pens!
